Microsoft Paint, also known as MS Paint or simply Paint, is a computer program developed by Microsoft that allows users to create and edit picture files, including adding text to images. The default file name extension of Paint is .bmp, which stands for bit map image file, used to store raster graphics independently of the display device. To open a file in Paint, you can find the "Windows Accessories" file, click on it with your left mouse button, and then scroll down until you find the "Microsoft Paint" icon. Double-clicking this icon will open Microsoft Paint. The parts of the MS Paint window include the title bar, which displays "Untitled – Paint," a menu bar consisting of menus such as File, a tool box containing various tools, and a colour box that contains different colours. To write text in MS Paint, you can use the Text tool, which allows you to type onto the current layer using the Primary color. For freehand drawing, you can use the Pencil tool. The program also opens and saves files as Windows bitmap (24-bit, 256 color, 16 color, and monochrome), JPEG, GIF, PNG, and TIFF. Microsoft Paint is a simple raster graphics editor that has been included with all versions of Microsoft Windows. It can be used in colour mode or two-colour black-and-white. The program also allows you to open a paint file by right-clicking the file and selecting "Open with" an application. In Windows 10, common file name extensions include .bmp for bit map image files, .jpg for JPEG images, .gif for GIF images, .png for PNG images, and .tiff for TIFF files. The IBPS RRB Clerk 2025 notification is anticipated to be released soon. This recruitment drive aims to fill 5585 vacancies for Clerks in the participating Regional Rural Banks (RRBs). To be eligible, candidates must hold a graduation degree in any field. The selection process involves Prelims and Mains exams. Aspiring applicants can prepare by studying previous year papers and exam analyses, such as the IBPS RRB Clerk Previous Year Papers and Exam Analysis. Additionally, they can attempt a free Banking Current Affairs Mock Test to gauge their readiness.
