Boku no hero academia read online

MangaDex Requires JavaScript to Function A young boy, Izuku Midoriya, at the age of four, had a profound realization: the world is not fair. The majority of the population possesses special abilities known as "quirks," which have enabled many to fulfill their childhood dreams of becoming superheroes. However, Izuku was one of the few born without such powers and faced discrimination due to it. Undeterred by his circumstances, Izuku became determined to become a hero. He set his sights on the prestigious hero training academy, UA High. His life took a dramatic turn after meeting All Might, the world's greatest hero, who revealed that his dream was not a dead end. With newfound abilities, Izuku gained admission to his school of choice and embarked on an arduous journey to become the successor of the best hero on the planet. The series follows Izuku Midoriya as he overcomes adversity and strives to achieve his aspirations despite facing formidable challenges. !!!
