Link to this page: Had no external dangers enforced internal harmony and subordination, and particularly, had the local sovereigns possessed the affections of the people, the great kingdoms in Europe would at this time consist of as many independent princes as there were formerly feudatory barons.But to comprehend it aright, you must know something of the curious internal structure of the thing operated upon.But besides considerations of foreign policy, the attention of Russian society was at that time keenly directed on the internal changes that were being undertaken in all the departments of government.There is a wide difference, also, between military establishments in a country seldom exposed by its situation to internal invasions, and in one which is often subject to them, and always apprehensive of them.The desired proofs have not yet been adduced, and there is, at present, nothing but internal evidence to guide us.These last should arise from the internal structure of the plot, so that what follows should be the necessary or probable result of the preceding action.Even to call life "activity," or to define it further as "the continuous adjustment of internal relations to external relations," as Spencer has it, Nietzsche characterises as a "democratic idiosyncracy." He says to define it in this way, "is to mistake the true nature and function of life, which is Will to Power...Life is ESSENTIALLY appropriation, injury, conquest of the strange and weak, suppression, severity, obtrusion of its own forms, incorporation and at least, putting it mildest, exploitation." Adaptation is merely a secondary activity, a mere re- activity (see Note on Chapter LVII.).The internal surface is completely vitrified, glossy, and smooth.The top shelf in the right-hand corner--oh! Uttering these words, the good lady pointed, distractedly, to the cupboard, and underwent a convulsion from internal spasms.They are no longer the lords of our internal seas, and the great navigators of the wilderness.He is suffering from internal inflammation, produced by cold; and symptoms have shown themselves which are dangerous at his age.Again, it much assists a prince to set unusual examples in internal affairs, similar to those which are related of Messer Bernabo da Milano, who, when he had the opportunity, by any one in civil life doing some extraordinary thing, either good or bad, would take some method of rewarding or punishing him, which would be much spoken about. INTERNALadjectiveEtymology: internus, Latin.1. Inward; not external.That ye shall be as gods, since I as man.Internal man, is but proportion meet.John Milton, Par. Lost.Myself, my conscience, and internal peace.John Milton.Bad comes of setting our hearts upon the shape, colour, and external beauty of things, without regard to the internal excellence and virtue of them.Roger L'Estrange.If we think most mens actions to be the interpreters of their thoughts, they have no such internal veneration for good rules.John Locke.2. Intrinsic; not depending on external accidents; real.We are to provide things honest; to consider not only the internal rectitude of our actions in the sight of God, but whether they will be free from all mark or suspicion of evil.John Rogers. Meanings Synonyms Sentences Of, relating to, or located within the limits or surface; inner. Of or having to do with the inner nature of the body. Having to do with the inner nature of a thing; intrinsic. Of or relating to mental or spiritual nature.
