Ise essentials of investments 11th edition pdf

Zvi Bodie is Professor Emeritus at Boston University, where he taught from 1973 to 2016. Today he is an independent financial advisor and educator. His main professional interest is to firmly establish finance as applied science built on the principles explained in his books and websites. He obtained a doctorate from the Massachusetts Institute of Technology and served at Harvard Business School and Sloan School of Management at MIT. His textbook Financial Economics co-author of Nobel-Prize the winning economist Robert C. Merton was translated into 9 languages. In addition to his textbooks, Bodie co-authored two books for the mass market: Risk and Prosper: Your Guide to Safer Investigation and No Concern Investing a Safe App to Get Your Life Financial Goals. In 2007, the Income Industry Association awarded him its Lifetime Achievement Award for applied research. He has authored and edited many books and articles on pensions and investments for pension. With the support of the Research Foundation of the CFA Institute, he organized a series of 3 conferences on the theory and practice of life cycle finance. He is currently a senior advisor at the Investment and Wealth Institute and consults for a series of financial companies, including Dimensional Fund Advisors. Professor of Finance and Economics at the Graduate School of International Relations and Pacific Studies at the University of California,Diego. He was professor at the Faculty of Economics, University of Tokyo; Graduate School of Business, Harvard; Kennedy School of Government, Harvard; and research partner, National Bureau of Economic Research. Author of many articles in finance and management journals, Professor Kanes' research is mainly in corporate finance, portfolio management and capital markets, more recently in the measure of market volatility and options prices. Alan J. Marcus is a finance professor at Wallace E. Carroll School of Management at Boston College. Its main research interests are in derivatives and securities markets. He is co-author (with Zvi Bodie and Alex Kane) of Investments and Essential Investigation texts. Professor Marcus worked as a researcher at the National Economic Research Office. Professor Marcus also spent two years at Freddie Mac, where he helped develop mortgage prices and credit risks. He is currently a member of the Advisory Committee of the Foundation for Research of the CFA Institute.
