I fought with Purity because they got sounds that you can manipulate a lot of people like they like sounds that's already kind of made already. And sometimes I'd be willing to fault with this like not own gross beat or nothing like really full of this. ... Because you can add sounds on top of each other and then you could go in here and change how I play all the type of so I fought with Purity. So I went through the sounds and I was like damn you know what I should do I always wanted to do like art on my beats. ...C-CLIP Beatz – The Making of YNW Melly's (Fl.
