If you take the word from the good book as a literal or not, you can't deny the meaning of many of the stories about our culture and how we treat or approach each other. Even more, are not only those who enroll in Christianity that are influenced by stories that pack the pages of the Bible; Judaism and Islam also bring stories in their religious books based on the stories that Christians know and worship. InfoIsaho where you are on your faith or religiosities, surely you have, at least, a basic awareness of what some of the stories and parables are. You may also know who some of the most significant people are in these stories, and which were some of the teachings of Jesus Christ. The old and new testaments have their complexes, but you should be able to overcome this quiz and even learn something new on the good book that maybe he didn't know before! Who are you, maybe you'll go away from this with a new perspective about things. So let's see how much you really know about the Bible. Blessed are the people who do well on this quiz! In the book of revelation (6: 1 - 8), four knights appear and represent various things based on different interpretations. The most common of them interprets the white horse as a symbol for Christ, the red one as a symbol for war and shedding of blood, and the black one as a sign of famine. The court's knight rides a pale horse, which many believe represent pestilence and death.
