It is registered by the Ministry of Education, Science and Technology of Tanzania as a day school offering Nursery and Primary Education with the registration number: DS. 02/7/EA.58 (Nursery) and DS. 02/7/58 (Primary). The school motto stresses on provision of EDUCATION WHICH IS LEADING TO A SUCCESSFUL FUTURE. Indeed, the right education is the key which unlock and open up a promising future. Our primary goal is to provide the students with the best conducive atmosphere to ensure for a safe, challenging and exciting learning through the use of English as a medium of instruction. The state curriculum (NECTA) which we use emphasize teaching and learning methods which are relevant to the needs of the students. We emphasize competence in reading, writing and mathematics beyond the curriculum but of course not to the neglect of other subjects! Subjects like Science and Social Studies among others are also seriously taught. Our teachers take their role very seriously in ensuring that the students learn and acquire the knowledge and competence that is expected in each subject. The main role for any parent/guardian is to guide, encourage and support their children's learning. The school has a Parent Committee, which is a body representing the interests of the parents to the school management board as well support the effort of the School Directors on its various areas of operations.
