CLAUSES AND PHRASES OF REASON

- When you want to explain **why something happens**, you can use a **clause of reason** introduced by a conjunction (because, as and since) or a phrase introduced by **because of**.

*Daniel joined the English Drama Club **because / as / since** he wanted to improve his intonation.*

***As / Since / Because** Daniel wanted to improve his intonation, he joined the English Drama club.*

- Use a comma when the clause or phrase of reason is at the begging of the sentence.

Since I cleaned my bedroom yesterday, I don't need to clean it today.

CLAUSES OF RESULT

- When you want to **indicate the result of an action or situation**, you can use a clause of result. Clauses of result are introduced by **so, and so, as a result, consequently, for this / that reason, thus, therefor**.

I had to work, **so** I couldn't go fishing last Saturday.

- So and and so** usually link ideas in a single sentence and are the most common connectors . The other connectors usually connect ideas in two separate sentences.

Paul had a fever; **consequently**, he stayed at home.

He travelled as quickly as possible. **Thus**, he reached Chicago the next day.

Thomas Henry Huxley

The Constitution of the United States is the supreme law of the United States of America. It superseded the Articles of Confederation, the nation's first constitution. Originally comprising seven articles, it delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the ...
