This will enable you to craft Transcendence pieces, which are crucial for leveling up your Summoner. Skip to content Accelerate your journey in Summoners War Chronicles with our definitive guide to character progression. Equipping these items to your gear will result in a significant power level increase. Enemies and obstacles abound; if you hope to vanquish them, you'll need the best weapons and equipment the world has to offer! That's what this guide is here for: to show you how to farm the best gear in the game! The best gear in Summoners War: Chronicles can be acquired by farming the Elite Raids, which will reward you with Raid Gear. By focusing on this level, you'll have access to legendary gear, green Transcendence pieces, and valuable subjugation tokens. To kickstart your journey in Summoners War Chronicles, it's essential to understand the importance of professions and crafting. Aim to complete your weekly entries early so that you can take advantage of daily support runs. Striking the right balance between different raids will help you progress more efficiently. bonus tag because those dungeons marked as having a bonus are the only ones that reward the tokens. Use these coins in the raid coin exchange to purchase powerful 5-star Second Awakening gear, which can potentially become 5-star Third Awakening gear. What to do, then? Save raid tickets for new raid openings, and continue to participate in Foggy Prison raids for valuable crafting materials and coins. These steps will guide you through improving your gear and increasing your Summoner's power level: The first step to gear progression in Summoner's War Chronicles is farming Subjugation at level 10. As you continue playing Summoners War Chronicles, you'll want to invest in crafting advanced 6-star Second Awakening gear. Those can be farmed in the Path of Growth, in the Subjugation area. And be prepared to farm a lot of those! Source: TrollGaming from YouTube Once you have a good amount of Subjugation area. And be prepared to farm a lot of those! materials, and Foggy Prison coins. And you might not have that often or at all at your disposal. This targeted approach will help you maximize your power level gains. Use the Foggy Prison or White Shadow Castle gear for Awakening, focusing on gear sets that are most beneficial to your specific Summoner. Even equipping gray stones can make a difference in boosting your power level. Source: TrollGaming from YouTube One of the items you'll need to craft those legendary weapons is an Awakened Weapon? We've broken down the gear progression process into four manageable steps. The best way, however, is to farm Subjugation Tokens. At the same time, focus on advancing your blacksmithing professions, you can see that, once you reach level 5, you'll unlock the ability to craft those Raid Gears. Source: TrollGaming from YouTube The good thing about this trade is that you can wield the Awakened Weapon, which is a fairly good equipment to use before you unlock the most powerful gears. There are two ways to do it, both involving farming. By following the steps outlined in this guide, you'll be able to reach higher power levels as a free-to-play player in Summoners War Chronicles. Start with small upgrades and gradually work your way up. Defending the kingdom in Summoners War: Chronicles isn't the easiest of tasks. Once you've acquired a solid foundation of legendary gear, it's time to tackle the Foggy Prison Raid. To make the most of your time and resources in Summoners War: Chronicles, plan your raid strategy wisely.
