System, Infinite Style, Dungeon, Strange The newspaper seller's new work was different from the subject matter he had written before. It was a new attempt. (But it was quite similar to what his writer friends wrote.) The main character's brother mysteriously disappeared, and the main character received the card he sent. Then, he could enter the Spirit Realm, complete the dungeon, obtain rewards, and level up himself. At the same time, he would search for the truth of the world through exploration. The setting of this book was not bad. The main character needed to clear the Spirit Realm dungeon and find clues from these strange maps to avoid being hunted down. The main character was set to have hypermnesia, which was a cheat. It allowed him to remember many details of the past, but it was also a double-edged sword that would lead to negative effects. The other character settings were also quite interesting, such as a gentleman boss who spoke in a translator's accent. Although this book contained supernatural elements, the author himself said that this book would not focus on supernatural elements, so it would not be particularly scary. Moreover, the style of the book was relaxed. Moreover, the newspaper seller would also make jokes in supernatural places, so it would not be particularly scary. Overall the book was excellent so far. There were no logical errors, and the plot and worldview were relatively complete. However, it was still a seedling after all. He wanted to see if the author could write a better architecture. 3."Tang People's Table": Rating: AAA-plus I feel that this book has completely surpassed Jie Yu's previous works. It's very personal and the story of the Great Tang is also very well told. Of course, the premise is that you can read it. This is definitely a good historical text. I feel that it's a bit like a farming novel, but this field is Chang 'an, the Nightless City of the Tang Empire. I'm still looking forward to it. 4. "King of Familiars": "King of Familiars" was a novel with strong writing style and story. The author had combined web novel routines with ancient style writing style quite well. The story was fascinating and irresistible. This novel was set in a brand new era of familiars, and it told the story of who would become the well-deserved king of familiars. The author had displayed his talent and creativity in this novel, which made people's eyes light up. There was no trace of a routine in this novel. The style of writing was relaxed and not oppressive, bringing a pleasant reading experience to the readers. Overall, I like this type of book very much and give it a positive evaluation. 5: Fairy, Please Listen to My Explanation: [recommended words]: Reincarnated into a game novel in a different way, similar to a book novel, the kind where you dress up as a villain and kill the protagonist. The author's strength was on the line, and the plot was interesting. He could only say that he was not a novice writer. [Rating]: 4 [Goldfinger: Understand the plot, easy to obtain treasures] [Plot Introduction: Dressed as a villain, with the help of his father, brother, and fairy, he eliminated the protagonist without any danger, and the article officially kicked off.] 6. National Forensics: The Almighty's New Book [Corpse: Are you polite?] 7."Wait, Heroine": "Wait, Heroine" is a serious and funny book. The writing is exquisite and not long-winded, giving people inspiration. The author's psychological description and character creation were excellent. The characters were vivid and reasonable. After reading this book, it left a lasting aftertaste. I strongly recommend it to everyone. This book incorporated Xianxia elements, adding new vitality to traditional martial arts novels. The story was compact, fascinating, and irresistible. The image of the heroine was clear, brave, decisive, and moving. Her opponents also had their own unique characteristics and distinct personalities, which left a deep impression on people. The author, Guan Guan, did an excellent job in handling the plot of the story with multiple female leads. The balance between the daily life and the main plot was just right. She vividly displayed the personalities of each female leads, allowing the readers to understand them in depth and feel their emotions and psychological changes. This expression of emotion was very real and made people empathize with it. All in all, "Wait, Heroine" was a memorable book. It was not only a novel, but also an emotional exchange and psychological exploration. By reading this book, we can gain inspiration from it and think about life, emotions, psychology, society, history, and many other aspects. I strongly recommend this book to all of you. I believe that you will definitely be attracted to it. 8. "Mantang Colorful Colors" is a fascinating novel about the power struggles of the Tang Dynasty. The author, Weird Cousin, brought the readers into a prosperous and dangerous Tang Dynasty. protagonist waking up from a dream. He saw the prosperity and crisis of the Tang Dynasty and was determined to save the Tang Dynasty that was about to fall. The story was thrilling and fascinating, making people feel as if they were in the Longevity City of the Tang Dynasty. The whole story was compact and full of suspense. It made people look forward to how the protagonist would face the upcoming An Lushan Rebellion. The author's writing was smooth and the plot was fascinating, giving people a deeper understanding of the history and culture of the Tang Dynasty. In short, "Colorful Tang" was a fascinating novel about power struggles. It was worth recommending to readers who liked the history of the Tang Dynasty. 9."Hidden Dead Corner": Although there was an event support factor, an initial order of 40,000 yuan was really too much. The rhythm was slow, and the protagonist could absorb different flowers to get different enhancements. The protagonist's IQ was online, but it did not drop. It's a strange style of mech writing. I think it's very good! Author: Get Lost Tagged: sci-fi futuristic world [Status: Series] [First order: 40041 (available on May 16, 2023)] Have you heard of it? If you turned on the music player in the dead of the night, put on headphones, and hid under the blanket to cover your head, listening to the single repeatedly. If you were unlucky and opened your eves again, you would no longer be lying on your own bed, but would enter a strange space that was completely isolated from reality. That space...On the surface, it looked like the places we usually see, such as our bedroom, the living room, the underground garage, the bathroom, the basketball court, the construction site, etc. However, if you looked carefully, you would realize that it was different...Everything was differen was set in a world similar to the modern world. The protagonist started learning martial arts dojo and stepped into the extraordinary world step by step. The author had a good grasp of the rhythm, allowing the readers to quickly immerse themselves in it and feel the protagonist's growth and improvement. The plot of the story was also handled more naturally, making people look forward to the protagonist's future development. However, some of the plots in the book were a little disappointing. The missing people and the hero saving the damsel in distress made people feel a little disappointing. of the plot, it was indeed a little difficult to accept. Overall, The Final Divine Order was a decent novel. Although some of the plots were not ideal, the author still had considerable skill in telling the story and shaping the characters. The readers could feel the protagonist's growth and hard work, as well as his courage and wisdom in the face of difficulties and challenges. Although some of the plot was not very satisfactory, overall, the book was worth reading, 11."Beyond Time" is a long novel that makes people immersed in it. The author, Er Gen, used his unique narrative technique to bring the readers a wonderful journey of Xianxia. The story was thrilling and fascinating, making it impossible for people to extricate themselves. The protagonist Xu Qing's growth and struggle were moving. His decisiveness, cautiousness, ruthlessness, ruthlessne characters in the story had distinct personalities and were unforgettable. The setting of the female protagonist was also fascinating. Their growth and struggle were admirable. Overall, Beyond Time was a fascinating. Their growth and struggle were admirable. had a faint taste of "Super Divine Mechanic". Perhaps it was because of the similar settings. In short, the content was very good. However, I felt an inexplicable sense of impulsiveness when I reached chapter 180. Perhaps it was because of me, so I decided to push this book to everyone. longer. This book is a little short. "Red Heart Sky Patrol" [Keyword]: Classic Xianxia [Description: The protagonist is a young Dao College disciple who fell into a desperate situation because of his friend's betraval. He accidentally obtained a Meridian Unlocking Pill that can solve the problem of cultivation aptitude from a big shot who died in battle, as well as a cheat that can deduce and improve cultivation in this world of constant strife. [Strengths: It's said to be the work of a physical book boss. The writing style is excellent and has a classical charm.] The character creation was also very outstanding. With just a few strokes, he could portray the delicate thoughts and complicated ways of the world of the characters. Although they were filled with flesh and blood. [Prompt before reading: There are a lot of characters appearing at the beginning of the game, so the amount of information is a little too much. The author used the writing technique of talent to let the readers feel the strength and extraordinariness of the protagonist. In the story, there was a reading snake named Niu Kuanqi, a snake-catching technique of talent to let the readers feel the story of the protagonist. In the story of the protagonist. that said that stealing was not stealing. These elements filled people with anticipation and curiosity. Every story in the work was very exciting. The only regret was that the protagonist's cheat was a little too big. It was almost overwhelming, which made the readers feel a lack of challenge and tension. However, overall, this book was still worth reading, especially when there was a shortage of books. 17:"Who's in Love After Being Reborn?": It was said to be written by Old Liu. The article was very exciting, but his character was not good. One had to be careful when entering a pit! Struggle until you can't afford a house at the age of thirty-eight. If you want to get married, you have to live frugally for most of your life. Who earned the money? Jiang Qin, who had been reborn at the age of 18 with countless grievances, opened his eyes and the only thought was to start a business and make money. The first step was to snatch back the love letter, turn it over, and write three lines under the school belle's shocked eyes: It was impossible to work now! He only wanted wealth and freedom, never to be a slave! As for love? Even dogs wouldn't talk about that! On that day, the thick fog sealed everything. On that day, he became the captain of a ghost ship. On that day, he crossed the thick fog and strange visions dominated the endless sea beyond civilization. The isolated island cities and the fleets that challenged the sea had become the only lights of the civilized world, while the shadows of the past were still stirring in the deep sea, waiting to continue to devour the dying world. However, for the new captain of the Lost Home, there was only one problem he had to consider first. Who knew how to sail the boat? 19:"Cultivate in the Demonic Martial World": Xianxia Infinite Masterpiece, the latest work of the Great God Transcriber's Infinite Style is generally relatively stable and excellent, and it is worth looking forward to. Students who like it can collect it first. It is recommended to read. Personal Rating: 4.8 Potential score: 4.8 Word count: 1,210,000 "Who told him to cultivate!" "Who told him to cultivate!" It was a Xianxia classical Xianxia novel. The author, The Whitest Crow, started the story with smooth writing and rich memes. The story began with the test to enter the academy. He met a mysterious woman, and her identity was soon revealed. There was no hard suspense, so the readers could easily enter the story. The author's writing style was excellent. He integrated the story into the story, making the entire cultivation system Seem natural and not abrupt. The author's previous work, "The Counterattack System Only Appears in the Great Vehicle Stage," had a good reputation. He hoped that this book could also reach a new high. The reading experience was very good. It was as if the author had an endless supply of memes, making people unable to stop. In addition, the author's updates were also very stable. He updated two chapters, so that people could continue to pay attention to him. Overall, this book was a very wonderful Xianxia novel. It was worth recommending to readers who liked Xianxia and classical Xianxia.
