

Dazai Osamu is one of the most beloved characters in the popular manga and anime series Bungou Stray Dogs. For many fans, the question of how tall Dazai is and why his height is important to his character. How Tall Is Dazai Osamu? According to the official website of Bungou Stray Dogs, Dazai is 178 cm (5 ft 10 in) tall. This is slightly above average height for an adult Japanese man. Despite his height, Dazai -chan" by other characters in the series. Why Is Dazai's Height Important? Dazai's height is important to his character in several ways. First, it serves as a reminder that Dazai is still young. Although he has lived a troubled life and endured many hardships, he is only in his early twenties and is still growing and learning. His height also serves as a visual cue to contrast him with other characters in the series, such as Kunikida, who is considerably taller than Dazai. Another way that Dazai's height is important is that it serves as a metaphor for his sense of powerlessness. Dazai is often seen as being physically weaker than the average Japanese adult male. In contrast, other characters in the series such as Kunikida and Akutagawa are much taller and have greater physical strength. Finally, Dazai's height is important because it serves as a visual cue to contrast him with other characters in the series, such as Akutagawa and Kunikida, who are both taller than him. This serves as a reminder that Dazai is still relatively young and inexperienced in comparison to other characters in the series. ConclusionDazai Osamu is one of the most beloved characters in the popular manga and anime series Bungou Stray Dogs. According to the official website of Bungou Stray Dogs, Dazai is 178 cm (5 ft 10 in) tall, which is slightly above average height for an adult Japanese man. Dazai's height is important to his character in several ways, as it serves as a reminder of his youth and inexperience, a metaphor for his sense of powerlessness, and a visual cue to contrast him with other characters in the series. Bungo Stray Dogs doesn't get enough credit for making its absolutely wacky plotline work. The specially crafted anime is special in more ways than one. Firstly, it's a unique blend of slice-of-life and the supernatural. Secondly, it follows the both occult and the mafia, and while those genres together sound kooky on paper, its wide fanbase is proof of its success. Kafka Asagiri and Sango Harukawa took things a step further by introducing some truly bizarre characters into the mix. Besides its central focus, Bungo Stray Dogs gains extra points for the way it depicts mental health. It's dark themes and action sequences may not be everyone's cup of tea, but the characters are constantly developing, making it some of the most relatable anime in recent times. Member of the Armed Detective Agency, and the series' protagonist, Atsushi Nakajima was born on May 5, making him a Taurus. The 18-year-old is of average height, standing at five foot and seven inches tall. We're informed early on that Nakajima is an orphan. Furthermore, it is revealed that he experienced several traumatic events at the orphanage before he joined the Agency. The Taurus is known to care deeply for his Agency members and has a strong sense of morality. Nakajima is also known for his ability, "Beast Beneath the Moonlight," which allows him to transform into a white tiger. Osamu Dazai is a member of the Armed Detective Agency and is a former executive of Port Mafia, an underworld organization. Born on June 19, Dazai is currently 22 years old and stands five foot and 11 inches tall. Despite his love of death and continuous suicidal trysts, Dazai revealed that he exposed himself to the negative influences of Port Mafia so he could find a reason to live. His enigmatic and complex personality goes hand-in-hand with his skin. Born on Aug. 30, Doppo Kunikida is currently 22 years old and six foot two inches tall, making him the tallest of the bunch. The Virgo is a member of the Armed Detective Agency and a former algebra teacher at the Shin-Tsuraya Institue. Kunikida is known to have a practical and disciplined personality. He is committed to his role as a detective and he has a strong desire to maintain order in the Agency. Kunikida's ability, "The Matchless Poet," permits him to bring objects written in his notebook into existence. Edogawa was born on Oct. 21 and is a Libra. He is a member of the Armed Detective Agency and a detective highly sought out by the police. He is known for his great detective skills and has been referred to by many as the greatest detective in the world, a sentiment he agrees with. Edogawa may not have any abilities but he makes up for it with his deductive and investigative ability. Also, while he may be mostly carefree and lazy, he can flip the switch in an instant, becoming the most serious out of the bunch when needed. Born on Dec. 7, Yosano is currently 25 years old and five foot five inches tall. She is a member and official medic of the Armed Detective Agency. The Sagittarius is known to be graceful and dignified but is sometimes prone to sadistic tendencies. Despite this, Yosano has shown her willingness to do whatever it takes to save lives. Additionally, her no-nonsense attitude aligns with her fierce disposition. Her ability, "Thou Shalt Not Die," allows her to heal fatal external injuries. Additionally, her no-nonsense attitude aligns with her fierce disposition. Her ability, "Rashomon," to transform his overcoat into a dark creature capable of cutting through anything. At age 14, he met and underwent hellish training under Dazai before he joined Port Mafia's dog," Akutagawa willingly commits violent crimes. He is a Pisces, and also known to be adaptable, curious, and quick-tempered. Born on April 29, Nakahara is currently 22 years old and five foot three inches tall. He is one of the executives of Port Mafia and Osamu Dazia's former partner in Twin Dark. He is a liso a temperamental character who enjoys showing off his combative skills Nakahara's ability, "Upon the Tainted Sorrow," allows him to manipulate gravity. Bungo Stray Dogs has a colorful cast of characters than their work. Despite this similarity, the characters themselves are different people. They look and act more like anime characters than their namesakes; this makes them more like inspirations than counterparts. The anime characters have no obligation to share anything with their namesakes beyond their names, and even that rule gets bent sometimes. However, there are times when other things about these two groups line up—like the day they were born. There are plenty of ways to get to know the Bungo Stray Dogs cast besides their roles in the anime and their birthdays. Plenty of information about them has been given out in one form or another beyond what's explicitly stated in the main story. This includes things like their heights and ages. of Bungo Stray Dogs' narrative, this information is unnecessary for understanding what's going on. However, getting to know the characters like the people they were based on. It gives them more of an identity for fans to relate to. Related Bungou Stray Dogs sets itself apart by redefining anime storytelling through Dazai's complex relationships with Oda, Atsushi, and Akutagawa. Armed Detective Agency Atsushi Nakajima is currently 18 years old. His birthday is May 5, so his zodiac sign is Taurus. His height is 170cm (5'7"). Osamu Dazai is 22 as of the start of the main series. His birthday is June 19, so he's a Gemini. He's one of the tallest in the Agency at 181cm (5'11"). Doppo Kunikida is 22 years old. He was born on Oct. 21, making him a Libra. He's pretty short, at only 168cm (5'6"). Junichiro Tanizaki is 18, the same age as Atsushi; however, he's a little taller than him at 174cm (5'8.5"). Junichiro was born on July 24, making him a Leo. His sister Naomi was born on March 26, making her an Aries. Not much else is known about her, but the fact that she's in high school means she's between the ages of 15 and 18. Related Bungo Stray Dogs is a deeply literary series and the authors referenced have a lot of impact. Here are a few of the books. Kenji Miyazawa is only 14 years old and 158cm (5'2"). He was born on Dec. 7, the domain of Sagittarius. She's 166cm (5'5"). Yukichi Fukuzawa is the oldest of the group at 45 years old. He's also the second-tallest at 186cm (6'1"). He was born on Jan. 10, making him a Capricorn. Kyoka Izumi is only 14 years old and 148cm (4'10"). She was born on November 4, making him an Aquarius. He's 175cm (5'9"). Related Bleach and Jujutsu Kaisen are the most anticipated anime to watch next season, but there are a few other overlooked sequels that deserve attention. Ryuunosuke Akutagawa is 20 years old. He was born on March 1, so he's a Pisces. He's 172cm (5'8"). Not much is known about his younger sister Gin, but her Feb. 14th makes her an Aquarius. Chuya Nakahara is currently 22 years old. He was born on March 1, so he's a Pisces. April 29, making him a Taurus like Atsushi. Ichiyo Higuchi is 159cm (5'2"). She was born on May 2, so she's also a Taurus. Motojiro Kajii is 28 years old. He's 180cm (5'11"). He was born on Feb. 17, so he's an Aquarius. Ryuro Hirotsu is even older than Yukichi at 50 years old. He's 178cm (5'8"). He was born on July 15, a Cancer. Michizo Tachihara is 19 years old. He was born on July 30, so he's a Leo. He's 176cm (5'7"). Ogai Mori is 40 years old. She was born on Feb. 17, so he's an Aquarius; he shares his birthday with Motojiro. His ward, Elise, is roughly 10 years old. Koyo Ozaki is 26 years old. She was born on Jan. 10, so she's a Capricorn. She's 171cm (5'6") Related Bungo Stray Dogs is set to return with an action-packed Season 5, featuring the Armed Detective Agency trying to prevent the end of the world. Sakunosuke Oda is 23 years old. He's one of the taller members of the gang at 185 cm. He was born on Oct. 26, so he's a Scorpio. Kyusaku Yumeno is 13 years old. They're not much older than Elise. They were born on Jan. 4, making them a Capricorn. They're only 146cm (4'9"). Francis Scott Key Fitzgerald is 32 years old. He's 191cm (6'3"), even taller than Doppo. He was born on Sep. 24, so he's a Libra. Lucy Maude Montgomery is 19 years old. She was born on Nov. 30, so she's a Sagittarius. Margaret Mitchell is one of the taller girls of the series at 171 cm (5'7"); she's even a little taller than Atsushi. She's 20 years old. Her birthday is on Nov. 8, so she's a Scorpio like Kyoka. Nathaniel Hawthorne is another tall Guild member at 188 cm (6'2"). He's 27 years old. Her birthday is on Nov. 8, so she's a Scorpio like Kyoka. Nathaniel Hawthorne is another tall Guild member at 188 cm (6'2"). 175 cm (5'9"). He was born on Feb. 27, so he's a Pisces. Howard Phillips Lovecraft is presumably 28 years old. If he was, he was born on August 20, so he'd be a Leo. The only thing that can be said for sure about this "person" is that he's 190cm (6'3"). Related Bungo Stray Dogs' anime has caught up with the manga, which means the show's upcoming sixth season may employ the dreaded "Bones anime ending." Mark Twain is 22 years old. He's 178 cm (5'10"). He was born on Nov 30 (like Lucy), meaning he's also a Sagittarius. Louisa May Alcott is an 18-year-old girl. She was born on Nov 30 (like Lucy), meaning he's also a Sagittarius. Herman Melville is 68, making him the oldest character with a confirmed age. He's also 182 cm (6'0"). He was born on Aug. 1, so he's a Leo. Edgar Allan Poe is the same height as Herman's junior. He was born on Jan. 19, so he's a Capricorn. Related They may be considered second-rate entertainment by some, but many anime with bishonen shine through character writing, action and more. Fyodor Dostoyevsky is a pretty mysterious man whose age and height are unknown. However, he was born on Nov. 11, meaning he's a Scorpio. The other members of the House of the Goncharov is another Gemini, but he was born on June 18. Nothing is known about their heights or ages. Mushitaro Oguri is much less obscure than his cohorts. He's 26 years old. He also stands tall at 184 cm (6'0"). He was born on April 1, so he's a Pisces. Sigma is 177 cm (5'9"). However, his age, birthday, and zodiac sign all remain unknown. Bram Stoker's age is also unknown. This could have something to do with his vampiric Ability. However, he was confirmed to be born on Nov. 8 (like Margaret), so he's a Scorpio. The missing information on his height is harder to attribute to his vampirism. The Hunting Dogs are a relatively new group in the anime, so little is known about them. Ochi Fukuchi was born on May 13, so he's a Taurus. Saigiku Jono was born on April 12, so she's an Aries. Tetcho Suehiro was born on March 15, so he's a Pisces. None of their heights or ages are known. There are a few more characters from the main Bungo Stray Dogs narrative to note. Ango Sakaguchi is 25 years old. He was born on Oct. 20, making him a Libra. He's 178 cm (5'8"). Santoka Taneda is 50 years old. He stands tall at 185 cm (6'1"). He was born on Dec. 3, making him a Sagittarius. Related Like State Alchemists in the Ishval War, Yosano was exploited by Mori for his ability to save people's lives, turning her into the 'Angel of Death.' André Gide is 32 years old. He was born on Nov. 22, which makes him a Sagittarius. Like Santoka, he's 185 cm. The rest of the cast has minimal information available about them. Aya Koda was born on Sep. 1, making her a Virgo; she's 10 years old. Dame Agatha Christie was born on Sep. 16, meaning she's also a Virgo. Arthur Rimbaud was born on Oct. 20, making him a Libra. Soseki Natsume was born on July 20, so she's a Cancer; her precise age is unknown, but she's supposed to be in her mid-20s. How Tall is Dazai BSD? This question has intrigued fans of the enigmatic Osamu Dazai from Bungou Stray Dogs (BSD). With his dark humor, razor-sharp intellect, and lavered personality. Dazai captures fans' attention in every scene he's in. Among the many aspects fans adore about him—his height is a surprising point of fascination. This may seem like a trivial detail at first glance, but within the BSD fandom, even the smallest attributes hold deeper significance. In this article, we'll uncover the facts about Dazai's height, explore how it contributes to his character, and examine the broader context of his physical traits. Here's a detailed table summarizing the key facts and figures from the article for quick reference: CategoryDetailsCharacter NameOsamu DazaiSeriesBungou Stray Dogs (BSD)Height (Current)181 cm (5 feet 11 inches)Height (Dark Era)174 cm (5 feet 8.5 inches)BuildSlenderHairShort, slightly wavy, dark brownEyesNarrow, often reflecting amusement, mischief, or melancholyOutfitSand-colored trench coat, shirt, tie, and bandages around arms and neckAbility"No Longer Human" (nullifies supernatural abilities on contact)Affiliation (Current)Armed Detective AgencyAffiliation (Past)Port MafiaCreatorKafka Asagiri (writer), Sango Harukawa (illustrator)Notable ComparisonsTaller than Chuuya Nakahara (160 cm), shorter than Kunikida Doppo (189 cm)Symbolism of HeightReflects growth, , and internal complexityCultural ContextAbove average for Japanese males (170-172 cm)Location SettingYokohamaKey ThemesEnigma, leadership, humor, growthFan TheoriesHeight signifies personal and emotional growth Bungou Stray Dogs is a widely popular manga and anime series known for its unique blend of supernatural abilitie intricate storytelling, and literary references. Created by Kafka Asagiri and illustrated by Sango Harukawa, the series first debuted as a manga in 2012. It has since expanded into light novels, anime adaptations, and even a live-action film. The story takes place in Yokohama, where the Armed Detective Agency and the Port Mafia vie for control. The city becomes a battleground for individuals with supernatural powers, each named after famous literary References: Characters are based on real-life authors, with their powers reflecting their literary works. Moral Ambiguity: The series explores complex themes, including morality, loyalty, and existentialism. Character-Driven Storytelling: Each character has a rich backstory that enhances the narrative depth. Osamu Dazai is one of the central figures in Bungou Stray Dogs. A former Port Mafia executive, Dazai now works for the Armed Detective Agency. His role is pivotal, not just because of his abilities but also because of his psychological complexity TraitDescriptionPersonalityPlayful, sarcastic, yet deeply introspective. Ability "No Longer Human", which nullifies any supernatural power upon contact. Dark PastA troubled history as a Port Mafia member during the Dark Era. HumorA penchant for comedic suicide attempts, adding levity to his otherwise dark persona. Dazai's physical appearance, particularly his height, adds to his commanding presence and mysterious charm. Dazai's official height is 181 cm, which translates to approximately 5 feet 11 inches. This places him slightly above average for male characters in anime, giving him a striking presence in group settings. However, during the Dark Era, when Dazai was younger and still part of the Port Mafia, his height was listed as 174 cm (5 feet 8.5 inches). This growth reflects his transition into adulthood and his evolving character arc. Age/TimelineHeightEquivalent in FeetTeenage (Dark Era)174 cm5 feet 8.5 inchesAdult (Current)181 cm5 feet 11 inches Dazai's appearance is carefully designed to reflect his enigmatic and multifaceted nature. His tall stature is complemented by his slender build and distinct fashion sense. FeatureDescriptionHeight181 cm (5'11")HairShort, slightly wavy, and dark brown. EyesNarrow, often reflecting amusement, mischief, or melancholy. AttireSand-colored trench coat paired with bandages on his arms and neck. AuraA mix of charisma and mystery, making him stand out in any scene. In anime, a character's height often symbolizes their authority or status. At 181 cm, Dazai is tall enough to project dominance but not so tall as to overshadow his slender, almost fragile demeanor. Image Source:papik.pro In Japan, the average male height is approximately 170-172 cm (5 feet 7 inches) Dazai's height of 181 cm makes him significantly taller than the average, aligning with his commanding presence as a leader and strategist. Dazai's growth from 174 cm to 181 cm mirrors his character development: As a Teen: His shorter height during the Dark Era reflects his emotional immaturity and internal conflict. As an Adult: His taller stature symbolizes his growth into a more composed, calculated individual. Height differences in Bungou Stray Dogs serve as a visual and thematic tool to highlight character Height SignificanceOsamu Dazai181 cm (5'11")Balanced height reinforces his enigmatic presence. Chuuya Nakahara160 cm (5'3")Height difference adds humor to their rivalry.Kunikida Doppo189 cm (6'2")Taller than Dazai but often overshadowed in presence.Atsushi Nakajima170 cm (5'7")Reflects Atsushi's youth and subordinate role.Ranpo Edogawa168 cm (5'6")His shorter stature contrasts his intellectual provess. Height may seem insignificant, but for devoted fans, it holds symbolic and relational value: Visual Appeal: Dazai's height adds to his aesthetic charm. Relationship Dynamics: Height differences emphasize bonds, rivalries, and mentorships. Attention to Detail: BSD fans love analyzing every aspect of their favorite characters. Symbolic Growth: Some fans see his height change as a metaphor for his personal evolution. Real-Life Parallels: Others compare his height to that of the real-life Osamu Dazai, though records of the latter's height are sparse. Image Source:bsdmayoi.fandom.com In the manga, Dazai's height is often accentuated in group panels. His tall, slender figure is a stark contrast to shorter characters like Chuuya Nakahara, amplifying their comedic exchanges. The anime uses height creatively, especially in framing interactions. For example: Dazai towers over Atsushi, reinforcing his mentor role. His height difference with Chuuya adds humor to their bickering. The light novels offer more context about Dazai during the Dark Era, where his shorter height complements his more youthful and impulsive behavior. Dazai's height can be interpreted in various ways: Authority and Leadership: His tall stature aligns with his commanding role. Inner Struggles: His slim build, despite his height is deliberately exaggerated to enhance his symbolic presence. It's used as a contrast to shorter characters like Chuuya, adding depth to their dynamic. Image Source: pikuco.ru Dazai is 22 years old during the main series, standing tall at 181 cm (5'11"), with a Gemini birthday on June 19. Dazai's power, "No Longer Human," nullifies other abilities through physical contact, making him a standout figure in the series with a nod to literary roots. Dazai dislikes pain but has a morbid fascination with double suicide, often veiling his enigmatic past with humor and mystery. Dazai fears losing the things he values most, avoiding emotional attachment as a way to maintain control over his life. Osamu Dazai's height of 181 cm (5'11") is more than a physical trait—it's a narrative element that enhances his character and relationships. From his early days in the Port Mafia to his current role in the Armed Detective Agency, Dazai's stature reflects his growth, authority, and enigmatic charm. For fans of Bungou Stray Dogs, every detail matters. Dazai's height is just one piece of the puzzle that makes him such a compelling figure. Have you ever wondered about the Bungou Stray Dogs' main characters' ages and birthdays? We've put together all the known information about the most popular characters' ages, birthdays, and heights so you can get to know the cast of the detective anime better. Given anime's tendency to have characters' ages, birthdays, and height to the mix. So, we've got this handy guide to help you out!RELATED: Bungou Stray Dogs Literary References and Book Abilities Explained / 10Osamu Dazai -- arguably the most popular of all the Bungou Stray Dogs characters -- is only 22 years old. For such a young man, he already has a remarkable background, being a former member of Port Mafia and currently, a renowned detective for the Armed Detective Agency.Dazai's ability to nullify others' powers makes him one of the strongest Bungou Stray Dogs characters and capable of defeating older opponents.Dazai's height is 181 cm and his birthday is June 19, just like the real author who was an inspiration for Dazai's character.RELATED: Who Does Dazai End Up With in Bungou Stray Dogs?/ 10The main character of the series, Atsushi Nakajima, is only 18 years old when he discovers his ability to turn into a tiger. Atsushi's age is actually a significant plot point for Season 1, as he was kicked out of his orphanage due to being too old.Like his author counterpart, he has his birthday on May 5. His height is 170 cm. / 10Ranpo Edogawa is 26 years old in the present narrative, though his playful manners and carefree attitude mean that he sometimes comes across as younger. In a flashback that takes up the first encounter with Yukichi is recounted. Ranpo's birthday is on October 21, and his height is 168 cm, making him one of the shortest in the group./ 10While by no means old, Yukichi Fukuzawa, the leader of the Armed Detective Agency, is quite older than the main characters at 45 years old. A flashback with Ranpo early in Season 4 of Bungou Stray Dogs portrays Yukichi as a young man of 32 just before he obtained permission to start the Armed Detective Agency. His birthday falls on January 10, and he's rather tall at 186 cm. / 10Ryuunosuke Akutagawa, another fan-favorite character, is just 20 years old. Though based on his competence, one would be forgiven if they thought he was a bit older, especially since the designs of other characters make them appear a little younger than him.Like his author counterpart, the wielder of Rashomon has his birthday on March 1. His height is 176 cm./ 10Akiko Yosano is 25 years old. Normally, people have to be a bit older than that to become qualified doctors. However, her ability, "Thou Shalt Not Die," allows her to heal any wound as long as it's mortal and, when she really must heal it, she will occasionally make it so.During the Great War, Akiko was only 11 years old, so she has seen many horrors for someone so young. Her birthday with the author of the same name from which his character is derived, which is August 30.At 189 cm, he's among some of the tallest characters in the agency./ 10Like Atsushi, Jun'ichirō Tanizaki is only 18 years old. Not very much is known about his past other than that he was a student before joining the Agency. His entrance exam is noted to have traumatized him, as he seems to have repressed most memories about it, though the agency can be a lot for someone so young. His birthday is on July 24, and his height is 174 cm. / 10Kenji Miyazawa is just 14 years old, having been recruited only a few months prior to the events of Season 1. He's the shortest male character in the agency at 158 cm. However, anime and manga do portray height changes in their young characters when they want to be accurate. Given how young Miyazawa is, he could grow taller. His birthday is on August 27./ 10Izumi is the Agency's youngest recruit, at the age of 14, with her birthday being November 4. She's also the shortest character at just 148 cm, though, given her age, she could still grow a bit. READ MORE: Anime Based on Classic LiteratureWant the latest on all things anime? 'Literary Stray Dogs'), also abbreviated by Sango Harukawa, which has been serialized in Kadokawa Shoten's seinen manga magazine Young Ace since 2012. Each character is named after influential authors throughout history, and their powers are based on said author's books. The series follows the members of the Armed Detective Agency as they try to protect Yokohama from organizations such as the Port Mafia. The story mainly focuses on the weretiger Atsushi Nakajima, who joins others gifted with supernatural powers to accomplish different tasks including solving mysteries and carrying out missions assigned by the agency. As of 2024, ten light novels have been published. An anime television series adaptation produced by Bones aired in 2016 in two parts; the first season aired between April and June 2016, and the second season aired between October and December 2016. An anime film, Bungo Stray Dogs: Dead Apple, was released in March 2018. A third season aired from July to September 2023. A fifth season aired between April and June 2019. A fourth season aired between April and June 2019. January to March 2021. A live-action film, Bungo Stray Dogs The Movie: Beast, was released in Japan in January 2022. Main article: List of Bungo Stray Dogs characters The story focuses on a young adult named Atsushi Nakajima, who is the main character. After being kicked out of his orphanage, Atsushi saves a detective named Osamu Dazai believing he was drowning in the river while his actual intention was suicide. From Dazai, Atsushi learns he is a gifted with a supernatural ability capable of transforming him into the Agency he works for, the Armed Detective Agency, that handles crimes too dangerous for the police to handle. There, he meets many other ability users as they tackle various cases and events taking place in the city of Yokohama, a place teeming with individuals with Supernatural Abilities. Atsushi becomes the target of Ryūnosuke Akutagawa, who is a member of the criminal organization run by Ögai Mori known as the Port Mafia. Atsushi also recruits the young mafia member Kyoka Izumi upon learning she is being forced to kill. During Atsushi's fights against the mafia, he also meets Francis Scott Key Fitzgerald, the leader of an organisation named the Guild who placed the bounty on his head. Fitzgerald reveals there is a supernatural book (referred to as The Book) capable of changing reality linked with Atsushi's tiger, hence putting a bounty on the black market. Fitzgerald disregards any superficial damage the Guild might bring to Yokohama in exchange for the book, having an airship named "Moby Dick" destroy the city. However, he is nearly killed by Atsushi and Akutagawa once they join forces while Kyoka stops Moby Dick. Kyoka passes the Agency's entrance exam as a result of doing so. Another man, known as Fyodor Dostoyevsky, is introduced into the story, wishing to obtain The Book in order to erase all gifted people. He sets up a fatal clash between the detectives and the mafia using a virus ability user from the group that he leads, Rats in the House of the Dead. Natsume Soseki, who is the creator of the collaborative Tripartite Framework, stops the fight. While Atsushi and Akutagawa corner the virus' originator, Dazai manages to arrest Dostoyevsky with Fitzgerald's help. However, Dostoyevsky is later revealed to have orchestrated his own imprisonment in order to lead his followers. Pages of The Book are later found by Dostoyevsky's other group, The Decay of the Angel, which uses its powers to frame the Detective Agency for a murder case. Dazai is imprisoned for his past crimes and is placed in a cell near Dostoyevsky while the government sends its military forces known as the Hunting Dogs to execute the members of the Agency. As the Agency faces defeat, they form an alliance with Fitzgerald and later the mafia in exchange for one of their members (to the mafia). Across the multiple fights, it is revealed there is another person above Dostoyevsky and that person must be stopped. During an encounter with one of Fyodor's allies, Sigma, Atsushi discovers that the leader of the Decay of Angels is a person who is codenamed Kamui. Ranpo Edogawa then manages to gather most of the Agency and prove their innocence to the law. After this, he uses his skills to determine Kamui's identity: Ochi Fukuchi, the leader of the Hunting Dogs. Both Atsushi and Akutagawa are defeated by their enemy with the latter sacrificing himself in his last moments to let Atsushi escape. After the battle with Kamui, the next stage for the Decay of the Angel plan commences - turning people into vampires and eventually controlling humankind thanks to Bram. The United Nations decides to release One Order, an ability weapon that can make the listeners of orders given through the device act as ordered. The Agency fight the Hunting Dogs for their innocence and end the vampires, eventually leading to Bram having a change of heart and betray Fukuchi. As Fukucawa manages to defeat Fukuchi, he istop the vampires, eventually leading to Bram having a change of heart and betray Fukuchi. revealed to have wanted to rid the world of wars through his methods and is killed by one his underling from the Hunting Dogs. Fyodor is defeated, leaving only an arm after crashing into the prison tower in a helicopter. However, it is revealed that his special ability is to take the body of whoever killed him, who in this case is Bram Stroker. Author Shūsaku Endō was a major influence to Asagiri in order to use writers as fighters in the manga. After quitting his job as a salaryman, Kafka Asagiri became popular through his video "Yukkuri Youmu and the Really Scary Cthulhu Mythos" released on Nico Nico Douga.[7] The first episode was viewed about 1 million times, much to Asagiri's surprise. Four months after he uploaded the video, Asagiri was approached by the editor-in-chief of Monthly Shonen Ace to bring in three projects in two weeks. The Editorial department has also contacted him.[8] The manga originated from Asagiri's idea to gather multiple famous late authors and poets and draw them as young adults and teenagers with supernatural powers.[9] He was inspired by Shūsaku Endo's story Ryūgaku. In particular, Osamu Dazai was used as a major character after reading his entire life which the author found relatable. Impressed with this work, Asagiri decided to make his own take on Osamu Dazai stand out among the readers. After Dazai, the next writer chosen to make a character that often accompanied Dazai was Atsushi Nakajima, the main character who acts as an equal to Dazai. This led to the creation of Kunikida was hard to come up with, Asagiri did not have writer's block in general as he claims that writing backgrounds takes him between two or four days. He calls this process "mysterious". Kadokawa Shoten approached Asagiri with writing more content for the characters, which led to the production of light novels where the writer decided to explore Dazai's past.[10] Among several supernatural elements seen in the series, Asagiri came up with one that everybody wants under the name "The Book". The magic nature of the book was based on Akira Toriyama's wish-granting items from the manga Dragon Ball. A major theme in the narrative of people overcoming themselves; As an example, Kyoka was written as an assassin who wants to escape from the work from the Port Mafia and instead becomes Atsushi's partner in the Detective Agency. While Kyoka Izumi is unable to leave her past behind, she tries to appeal to the relatable. Villains are often written to be relatable despite their horrible actions too. Francis Scott Fitzgerald from the Guild plans to destroy Yokohama in his story arc but at the end and his next appearances, it is revealed his only desire was protecting his family. Sigma is also another villain written to be relatable though the author made him like that due to his "average" skills when compared to stronger antagonists. Ranpo was one of the hardest characters to write due to his superior intelligence when compared with the rest of the characters but still felt that his role in the story would appeal more to the fans once he became more active.[11] As the series progressed, Asagiri reflected although the story is about the battle between justice and terrorism with the arrival of the Decay of Angels and Hunting Dogs, it was more specific about the side of justice and who is on the enemy side of evil. He wanted the reader to do whatever he wasted that the designs of a second who is on the enemy side of evil. He wanted that the designs of a second who is on the enemy side of evil. He wanted the reader to do whatever he wasted that the designs of a second who is on the enemy side of evil. Atsushi and Dazai were done to contrast each other although there were some revisions done in the making of the series.[13][14] The light novels were also written with the idea of having more books released per year. The lives of more writers inspired Asagiri, most notably the friendship of Osamu Dazai, Ango Sakaguchi and Sakunosuke Oda.[15] When it came to Sigma, Asagiri drew his own take on the design but it was instead altered by Harukawa.[11] In 2023, Asagiri and expected there would be more products in the future.[12] Main article: List of Bungo Stray Dogs chapters Written by Kafka Asagiri and illustrated by Sango Harukawa, Bungo Stray Dogs began publishing the manga in Kadokawa Shoten's seinen manga magazine Young Ace on 4 December 2012.[16] Kadokawa has collected its chapters into individual tankobon volume. The first volume was released on 4 April 2013.[17] As of 4 February 2025 twenty-six volumes have been released.[18] The series has been licensed for North America by Yen Press with the first volume being released on 20 December 2016.[19] The English translation is by Kevin Gifford.[20] As of August 2024, twenty-four volumes have been published. A manga based on the light novel Beast, which is illustrated by Shiwasu Hoshikawa, debuted in Monthly Shōnen Ace on 26 December 2019.[21] This spin-off manga takes place in an alternate timeline and features Ryūnosuke Akutagawa, who joins the Armed Detective Agency, and Atsushi Nakajima as a subordinate of the Port Mafia.[21] A spin-off manga centered around Dazai and Chuya's backstories titled, Bungo Stray Dogs: Dazai, Dugosai, began serialization in Monthly Shonen Ace in July 2022.[22] A manga based on the light novel STORM BRINGER began serialization in Monthly Shonen Ace on 24 January 2025.[23] Main article: List of Bungo Stray Dogs episodes An anime television series adaptation produced by Bones was directed by Takuya Igarashi and written by Yoji Enokido.[1] Nobuhiro Arai and Hiroshi Kanno served as the chief animation directors, while the former also served as character designer along with Ryō Hirata. Taku Iwasaki composed the series' music. Kazuhiro Wakabayashi was the series' sound director at Glovision. Additionally, Yumiko Kondou was the art director, Yukari Goto was the anime's color designer, Tsuyoshi Kanbayashi was the director of photography and Shigeru Nishiyama was the editor.[24] Granrodeo performed the anime's ending theme, titled "Namae wo Yobu yo" (名前を呼ぶよ, lit. "I'll call your name").[27] The series was split into two halves: the first half, containing twelve episodes, premiered on 7 April 2016 and ended on 23 June 2016,[26] being broadcasting), Mie TV, SUN, TVQ Kyushu, and BS11.[28] The second half, also containing twelve episodes, premiered on 6 October 2016 and ended on 22 December 2016.[26][29] Crunchyroll streamed the series.[30] As for the second half, Screen Mode sung the opening theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the opening theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titled "Reason Living" while Luck Life once again sung the ending theme titl 2017.[31][32] On 21 July 2018, it was announced that the series would receive a third season.[33] The cast and staff would reprise their roles from the previous two seasons.[34] The third season premiered from 12 April 2019 and ended on 28 June 2019, being broadcast on Tokyo MX, TVA, KBS, SUN, BS11, and Wowow.[35] Granrodeo performed the third seasons' opening theme "Setsuna no Ai" (セッナの愛, lit. "A moment's love") and Luck Life performed the third season's ending theme "Lily".[36] Funimation released the simuldub on 17 May 2019.[37] In June 2020, Kadokawa announced that an anime television series adaptation of the spin-off manga, Bungo Stray Dogs Wan!, was in production. [38] Satonobu Kikuchi directed the series, with Kazuyuki Fudeyasu handling series composition, Hiromi Daimi designing the characters, and Bones and Nomad handling production. The main cast members reprised their roles. The series aired from 13 January to 31 March 2021 on Tokyo MX, BS11, MBS, Wowow.[39][40] On 7 November 2021, it was announced that the series would receive a fourth season premiered on 4 January 2023 and ended on 29 March 2023. [43] Screen Mode performed the ending theme "True Story", and Luck Life performed the ending theme "Shirushi" (USU). [44] On 29 March 2023. The opening theme is "Tetsu no Ori" (鉄の檻, lit. "Iron Cell") by Luck Life.[46] The anime is licensed in North America by Crunchyroll (formerly known as Funimation) with home video distribution, and in the United Kingdom by Anime Limited.[3][4] Main articles: Bungo Stray Dogs: Dead Apple and Bungo Stray Dogs: Dead Apple, [48] the film premiered on 3 March 2018 with the staff and cast from the anime series returning to reprise their roles.[49] A live-action film was announced in July 2019.[50] Titled Bungo Stray Dogs The Movie: Beast, the film premiered on 7 January 2022.[51] An action role-playing game titled Bungo Stray Dogs The Movie: Beast, the film premiered on 7 January 2022.[51] An action role-playing game titled Bungo Stray Dogs Mayoi Inu Kaikitan was announced and released on iOS and Android.[52] The game includes character side stories that were not found in the anime series as well as new game-exclusive scenarios.[53] The gameplay involves using pinball machine-like mechanics to defeat enemies, and earning a combination of materials, ability stones, and gold. Materials ability stones, and gold can be used for powering up and evolving characters, while ability stones. stones are most often used for scouts, to unlock more characters in-game. A second game has been announced, titled Gakuen Bungo Stray Dogs. [54] A stage play based on the events in the first season of the anime was realized starting at the KAAT Kanagawa Arts Theatre in Yokohama from December 2017, with the play moving through major cities in Japan. It was also shown at the Morinomiya Piloti Hall in Osaka on 12-13 January, and at AiiA 2.5 Theater Tokyo from 31 January to 4 February. Starting in September 2018, a second stage play was done based on the light novel Dazai Osamu and the Dark Era and its anime adaptation in the second season of the show. It was first shown in Tokyo at the Sunshine Gekijo from 22 September to 8 October and then moved to Osaka where it ran at the Morinomiva Piloti Hall on 13-14 October.[55] A third stage play based on the rest of the second season, thus excluding Dazai's backstory at the beginning of the season, was performed from June to July 2019 in Iwate, Fukuoka, Aichi and Osaka, and in July in Tokyo.[56] Multiple light novels have been released, each focusing on a character-specific story not seen until then. These often introduce new characters to the series that weren't previously canon. There are currently ten novels in total, with only eight having English translations. Bungo Stray Dogs was well received in Japan. The series also appeared in the Da Vinci's magazine poll from Kadokawa Shoten, [57] while the franchise combined sold ¥1,878,804,092 in 2016. [58] By 2018, the series reached 6 million copies. [59] In 2022, the manga reached 6 million copies. [59] In 2022, the manga reached 6 million copies. [59] In 2022, the m Asahi's Manga Sosenkyo 2021 poll, in which 150,000 people voted for their top 100 manga series, Bungo Stray Dogs ranked 64th.[63] Author Dan Brown was attracted by the manga when the author created a fictional version of himself to promote the story. positive. The Fandom Post said ever since its start the series has had potential to be an entertaining manga, citing the characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and the power he has,[65] later leading to interesting mystery arcs when more characterization of Atsushi and his rival Akutagawa form to defeat another group.[67] The artwork was praised by UK Anime Network for how detailed are fight scenes while also praising the balance between dark and light plot storylines. Nevertheless, he found a common commentary within fans that the series suffers from a slow pace.[68] While liking the Kunikida subplot, Anime News Network criticized the emotional focus on Atsushi's emotional state in the manga as he often grieves about his background, as well as the way he deals with his emotions when his torturer passes away.[69] J. Laturnas from University of British Columbia noticed that Dazai's characterization in Bungo Stray Dogs and Alchemist helped to revitalize the original author's works. "Of course, the character named 'Dazai Osamu' is not the person himself," Asagiri laughs, "the most important thing was to make [the author-characters] interesting in a manga-like way." The Dazai in Bungō Stray Dogs is not a characterification of the author himself but of the author's star text: an abstract representation of "Dazai" and his literature in popular imagination. Likewise, Dazai's character is heavily inspired by No Longer Human and its protagonist, Oba Yozo, with a few references to the historical author's life, personality, and preferences. In regards to his past, he has no desires nor a reason to live and has suffered in solitude for most of his life. Thus, he resorts to playing the role of a clown and hiding most of his true emotions with suicidal antics. However, Dazai's character has still made significant progress towards the fulfilment of his friend Oda's dying wish for him to turn to the light, and uses his inner darkness and past experiences to serve as a guiding light.[70] The anime series and its film have been popular, appearing in multiple polls involving its style and cosplay, among others.[71][72][73][74][75] Atomix listed it as the fifth best anime from 2016, praising its premise, designs and references to writers.[76] In the Newtype Anime Awards 2016-2017 at the Machi Asobi Vol. 19 event, the anime series took second place in the "Best Television" Series" behind Fate/Apocrypha.[77] Rebecca Silverman from Anime News Network listed the third season of the anime as one of her favorite anime from early 2019.[78] The film Dead Apple was also the winner of Newtype's "Theatrical Film Award" in 2018,[82] In 2019, the series once again took second place in the best television series award behind Demon Slaver: Kimetsu no Yaiba in the same magazine's Award, beating both Attack On Titan: The Final Chapters and Jujutsu Kaisen season 2.[84] Otaku USA stated that, while Atsushi becomes a hero of the story, he is overshadowed by others whose characters the reviewer found more interesting.[85] Anime News Network felt that, while initially weak, Atsushi as the readers' guide to the series since he was a newcomer whose introduction to the detective agency made it known to the readers as well. His final fight against Akutagawa in the first season received a positive response.[87] There parallels between Atsushi and Kyoka were also praised due to how they bond, making the protagonist look more charming in the process.[88] [89] Anime News Network appreciated the new bond he formed with former Guild member Lucy Maud Montgomery; the reviewer expected that either a formal romance would develop between these two characters or a love triangle alongside Kyoka, who also had a strong bond with Atsushi. As a result, the writer said the story would benefit from this type of subplot since Bungo Stray Dogs rarely contained romance.[90] When season two ended, The Fandom Post saw Atsushi's team up with Akutagawa as one of the best sequences in the series, which explored how the two characters felt during their interactions and production values made the fight more entertaining.[91] Meanwhile, Anime News Network enjoyed the portrayal of Atsushi's thoughts regarding his abusive caretaker since he had a serious attitude when he talked about them while interacting with Akutagawa, feeling this made Atsushi appealing.[92] The flashback episodes from season two and three were the subject of positive response. Manga. Tokyo highly praised the relationship between the teenage Dazai and Odasaku since it shows the impact Odasaku had on the Dazai's characterization and growth as a person which contrasted with his regular personality,[93] while UK Anime Network felt it made the cast look more rounded in the general due to the multiple use literal characterization and growth as a person which contrasted with his regular personality,[93] while UK Anime Network felt it made the cast look more rounded in the general due to the multiple use literal characterization and growth as a person which contrasted with his regular personality,[93] while UK Anime Network felt it made the cast look more rounded in the general due to the multiple use literal characterization and growth as a person which contrasted with his regular personality,[93] while UK Anime Network felt it made the cast look more rounded in the general due to the multiple use literal characterization and growth as a person which contrasted with his regular personality,[93] while UK Anime Network felt it made the cast look more rounded in the general due to the multiple use literal characterization and growth as a person which contrasted with his regular personality,[93] while UK Anime Network felt it made the cast look more rounded in the general due to the multiple use literal characterization and growth as a person which contrasted with his regular personality. Ango.[94] Dazai's debut in the anime's third season earned praise from Manga. Tokyo for once again exploring his teenage years where his relationship between Dazai and Mori and how Mori sees himself in Dazai.[95] Anime News Network noted how dark this incarnation of Dazai is as he does not appear to care for other people and instead ponders the idea of killing himself in contrast to his cheerful persona from the regular series. [96] ^ The anime's lone OVA is formally considered the 25th episode of the series in its home media release, and is thus included in the total count. ^ a b "Bungo Stray Dogs Gets Anime Adaptation at Studio Bones".
