Name: _____

Continents and Oceans of the World

Write the letter of each continent by its name.

Africa

Asia

Europe

South America

Antarctica

Australia

North America

South America

Write the number of each ocean by its name.

Atlantic

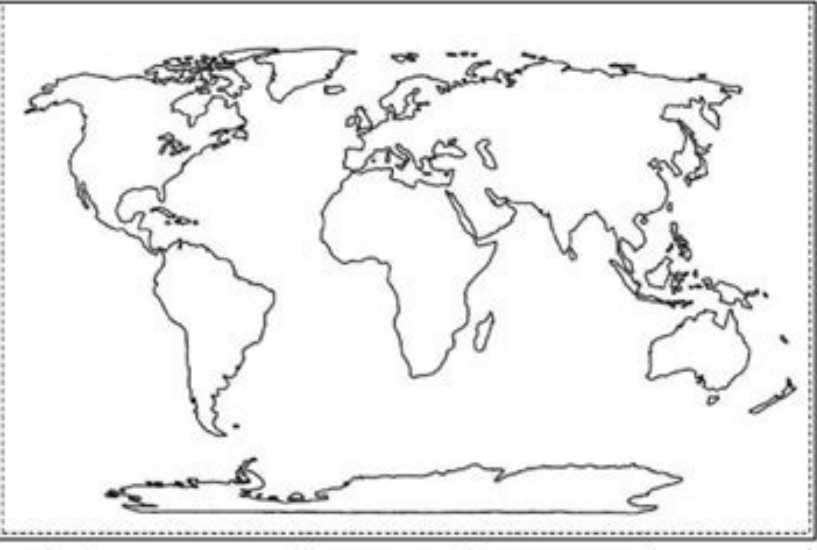

Arctic

Indian

Pacific

Southern

Label the oceans and the continents.

Indian Ocean	Pacific Ocean	Europe	Africa	North America
Arctic Ocean	Pacific Ocean	Australia	Asia	South America
Southern Ocean	Atlantic Ocean		Antarctica	

LIVEWORKSHEETS

Follow the instructions below.

Name: _____

1. Color the continent of Africa green.

2. Color the continent of Antarctica white.

3. Color the continent of Asia yellow.

4. Color the continent of Europe red.

5. Color the continent of Australia brown.

6. Color the continent of North America orange.

7. Color the continent of South America pink.

8. How many continents are there? _____

9. Color the equator (a line) black.

10. Color the oceans blue.

11. I live on the continent of _____

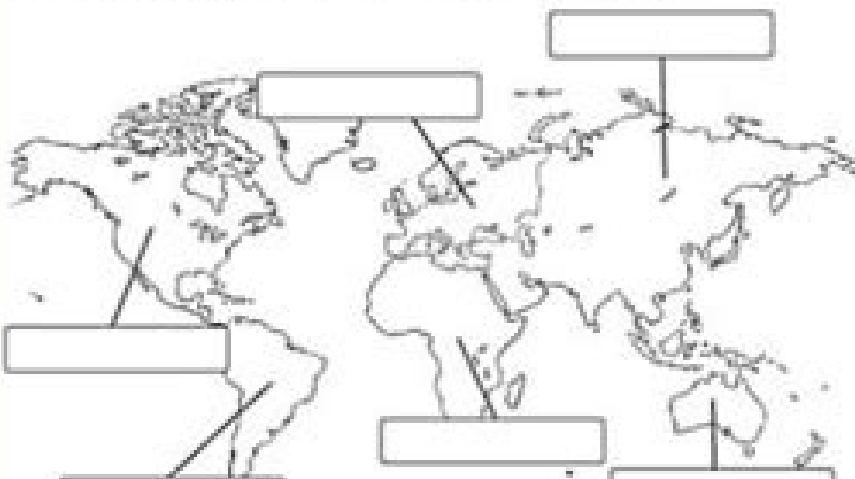

An Amazing Fact is Big!

Continents of the World

All the continents of the world end in the same letter that they begin with.

Locate and label each of the world's continents.

Challenge: Create a key, giving each continent a colour and shade in the whole area it covers.

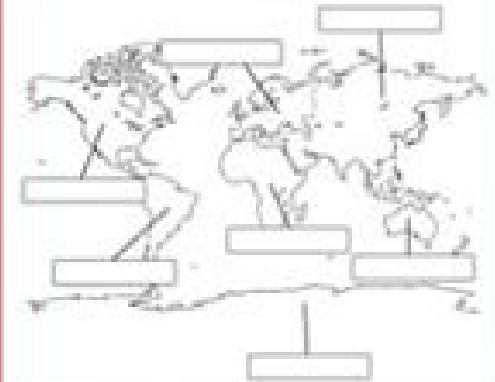

An Amazing Fact is Big!

Continents of the World

All the continents of the world end in the same letter that they begin with.

Locate and label each of the world's continents.

Challenge: Create a key, giving each continent a colour and shade in the whole area it covers.

The world is made up of 7 continents.

• Map the continents and colour each one the same colour as the key.

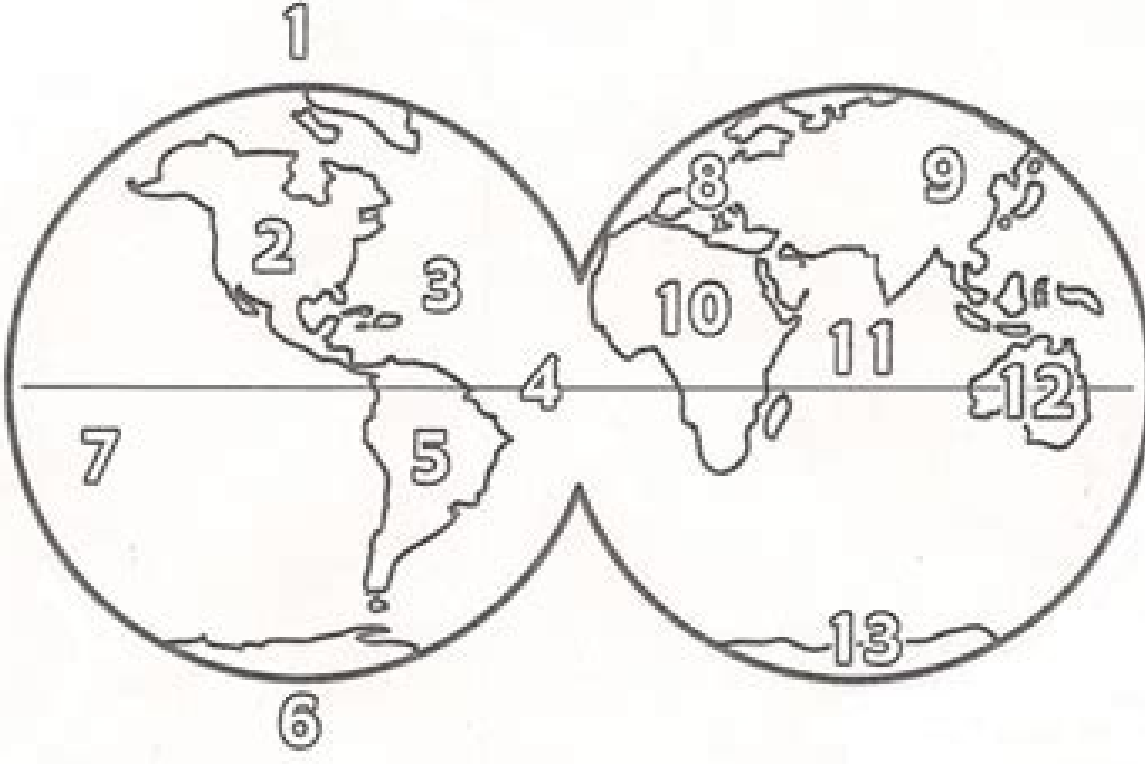

• Write the names of the continents in the key.

• Write the names of the continents in the key.

Name: _____

Where in the World Is It?

Directions: Match the numbers on the map to the places listed below.

Africa _____

Antarctica _____

Asia _____

Atlantic Ocean _____

Australia _____

Equator _____

Europe _____

Indian Ocean _____

North America _____

North Pole _____

Pacific Ocean _____

South America _____

South Pole _____

Be as creative as you like and maybe take your theme from the continent you are representing. Promote patriotism, decorate your classroom, and teach your students the beauty of America with a set of 12 American symbol and monument posters. Students label Acapulco, Cancun, Chihuahua, Guadalajara, Mexico City, Tijuana, Baja Peninsula, Cozumel, Sierra Madre, and the Yucatan Peninsula. Mexico Map (Labeled; English) This map of Mexico has labels for Baja Peninsula, Cozumel, Sierra Madre, Yucatan Peninsula, Acapulco, Cancun, Chihuahua, Guadalajara, Mexico City, Tijuana, Gulf of Mexico, the Pacific Ocean, and the Rio Grande. This map of China shows Shanghai, Beijing, the Great Wall, the Gobi Desert, the South China Sea, the Yellow River, and the Yangtze River. Below is the power point, it may be useful to record facts as it will help further on in the week. The activity worksheet will support your learning and comes with some answers so you can check you got them all correct! All answers can be recorded on paper if you can not print off the worksheets. Ed :) Empty reply does not make any sense for the end user. Thanks very much! Thank you so much for the 5-star review. To use world maps, atlases and globes to identify the UK and its countries, as well as the countries, continents and oceans. Our customer service team will review your report and will be in touch. Animals which live on the continent 7. Would have taken me ages to make. This will be to support Thursday and Fridays work of creating a power point, information leaflet or information poster. First the presentation runs through the continents and oceans of the world. Name and locate the world's seven continents and five oceans; 2. It's great as a quick recap lesson. I've worked in primary teaching for over 10 years and specialise in creating fun and engaging educational resources, particularly for Geography and History. Last updated 30 April 2021 This free lesson is a great way for students to learn the location of the world's continents and oceans. Harder - Students solely use an atlas/map prompt (no vocabulary). An atlas would be a really useful tool as well if you have one in your household. Thank you. Hi! Thank you for the great review and we're happy you found the lesson useful. The World Map Jigsaw is a great warm-up activity for this lesson. This map has markers for cities. For more Geography resources, check out www.teachitforward.co.uk. Continents This week will be Geography based we will be looking and discovering more about the continents in our world. Hardest - Students identify continents and oceans with no vocabulary or atlas/map prompt. In these pieces of work we would like to see titles, sub headings, images with captions, diagrams and even videos if you are creating a power point. I'm glad you found it useful! Ed Empty reply does not make any sense for the end user. Report this resource to let us know if it violates our terms and conditions. If you have access to the internet please use it to support your research and understanding. Population 5. Brilliant. Blank map of the fifty states, without names, abbreviations, or capitals. Map of the 50 states; Includes state names. Map of the 50 states and capitals. This map shows the regional divisions on the United States. I will add on a visual map of the world to help. Tuesday Today you will be looking at the continents again and learning more about them and what surrounds them. Today your focus will be finding out the main facts about your continent of choice. How big the continent is 4. Extension - Students use an atlas to work out which continents countries are in. In the worksheet activity students then identify the world's continents and oceans. Medium - Students have vocabulary and use an atlas/map prompt. If you have any suggestions or feedback, contact me at ed@teachitforward.co.uk. It can be used as an introduction to the topic for younger students or simply to refresh older students' core geographical knowledge. How many countries are in the continent 3. Thursday & Friday Over the next two days we would like you to use all your research and findings to create a power point, an information leaflet, fact cards or an information poster. Regions include northeast, south, midwest, and west. This blank map of Canada does not have the names of provinces or cities written on it. 4th through 6th Grades Mexico Map (Blank; English) Color and label this map of Mexico according to the instructions given. Use this lesson to go over and make sure you know and can name the seven continents. When you have finished your work we would love to see them. Glad you enjoyed the lesson! Empty reply does not make any sense for the end user. Thank you - great for a recap lesson! Thank you for the lovely review - most appreciated! Ed :) Empty reply does not make any sense for the end user. Thanks. Thank you for your lovely review! If you would like to try another resource for free at some point get in touch at ed@teachitforward.co.uk. Wednesday Today we would like you to pick a continent to research. You could send us pictures of your work or email the power point to use directly! View large version of image Close large version of image View large version of image Close large version of image View large version of image Close large version of image Creative Commons "NoDerivatives" A bundle is a package of resources grouped together to teach a particular topic, or a series of lessons, in one place. Select overall rating (no rating) Your rating is required to reflect your happiness. Write a review Update existing review It's good to leave some feedback. Something went wrong, please try again later. Will be using this for a recap lesson. All the best, Ed - Teach It Forward Empty reply does not make any sense for the end user. Have used this for a recap lesson and it was brilliant! Thank you! Thank you so much for the great review. Throughout the week you will discover how many continents we have, what size they are, the populations and the similarities and differences between them all. This is differentiated four ways: Easier - Students have initial letters, vocabulary and use an atlas/map prompt. Extra interesting facts Resources below will help you begin your research. Special features i.e. rivers, lakes, mountains, forests, environments 6. By the end of this lesson we are hoping you are able to: 1. If you like this resource, please review it. Include: 1. Allowing you to understand and journey around the world in 7 days! Monday Using the power point below we would like you to ask your self and understand what a continent is. Name of the continent and why you are picking it 2.
