Lego nouvel an chinois 2025

Note: This article was first published on 3rd January 2025. Since 2019, LEGO has been rolling out awesome Lunar New Year-themed sets that are not just fun builds but also serve as great CNY decoration. These huat-worthy sets aren't just great builds, but are also perfect as modern, long-lasting decor that scream festive vibes. For this year, the Year of the Snake, LEGO continues its tradition of celebrating the Lunar New Year with two stunning new sets: the LEGO Good Fortune (80117) and the LEGO Trotting Lantern (80116). These sets capture the festive spirit with intricate designs and even a light-up lantern for an extra wow factor. If you're looking for alternatives to traditional auspicious plants and flowers, the LEGO Botanical Collection has that covered, from the newly released Lucky Bamboo to a cute Money Tree with lucky coin decorations. What's even better is they offer an easy, maintenance-free way to bring festive 'greenery' into your home. Whether you're a die-hard LEGO fan or just looking for some unique CNY decoration ideas, this list is for you. Comme d'habitude, tout ceci semble plutôt réussi. J'ai pu tester par le passé quelques boîtes du nouvel an chinois et de la gamme Monkie Kid, et c'était à chaque fois une franche réussite. Au programme donc, une lanterne rotative avec de petites mises en scène et une brique lumineuse, une « nature morte » avec plusieurs objets du quotidien dont un bel éventail, et un lucky cat avec sa patte levée et mobile pour apporter la bonne fortune. LEGO Lunar New Year 2025 80116 Trotting Lantern (1295 pièces - 99,99 €) LEGO Lunar New Year 2025 80117 Good Fortune (1021 pièces - 79,99 €) LEGO Lunar New Year 2025 40813 Lucky Cat (280 pièces - 29,99 €) Du côté de la gamme LEGO Monkie Kid, c'est du « classique » avec un très joli robot et une créature mythique. LEGO Monkie Kid 80065 Erlang's Celestial Mech (806 pièces - 79,99 €) LEGO Monkie Kid 80066 Mythical Creature Qilin (791 pièces - 59,99 €) Modèle superbement détaillé en briques LEGO à collectionner pour recréer les traditions festives d'une fête du temple du Nouvel An chinois.Avec ce super ensemble, la construction est amusante et complexe, et le jeu illimité. C'est également une pièce maîtresse éblouissante et colorée.Brochettes de barbecue, petits pains et plus pour s'amuser.Les parchemins « Meilleurs vœux » donnent un aspect authentique.Les enfants jouent à créer des personnages avec des outils.La scène est prête pour un spectacle de marionnettes traditionnel.Une série de figurines donne vie à la fête du temple.Les jouets incluent un panda et un avion à construire.Un papa, une maman, une fille, un garçon, 5 vendeurs, un jeune papa, une jeune maman, 2 visiteurs, plus un bébé et des accessoires traditionnels, 2025 is the Year of the Snake and to celebrate another brand new Lunar Year LEGO will be releasing another range of Chinese culture based models. The first of these is the usual Gift With Purchase celebrating this years Zodiac animal of 40707 Year Of The Snake. But at the CIEE in Shanghai LEGO have officially presented three brand new LEGO Chinese New Year sets that will all go on sale at the start of 2025.Here at Bricks Up, we had previously covered the rumours of two of these Lunar New Year models of 80116 Trotting Lantern and 80117 Good Fortune. Today's official presentation however have shown us another Chinese New Year model of 40813 Lucky Cat. All three models will remain exclusive to LEGO stores and LEGO shop@home and will sadly only remain in development for around a year to make way for even more Lunar New Year sets in a years time.The largest of the three sets, 80116 Trotting Lantern, features a larger brick built ornate lantern as the centrepiece, adorned with symbols of the Year of the Snake and other Chinese New Year elements. One of the coolest features of the 9+ model is the inclusion of a LEGO light brick inside the lantern which illuminates Chinese letters and symbols on the lantern wall.The mainly red and gold lantern can also be opened up to reveal small Minifigure scale scenes inside. Here, typical Lunar New Year rituals are re-enacted with the five Minifigures included in 80116 including a Minifigure with a traditional Year of the Snake headpiece. Another cool addition for the Minifigures of this set is our first official LEGO dumpling. A brand new piece has been made to recreate the popular holiday dish.Set Name - Trotting LanternPrice - \$129.99 / €TBC / €TBCRelease Date - 26th December 2024/10th January 2025Centred around symbols of prosperity, 80117 Good Fortune includes a range of brick-built lucky charms. Each one is supposed to bring good luck for the brand new year and captures Chinese culture perfectly. These lucky cahrms include a fan with a branch and birds, a red scroll with writing on it and the Yuan Bao gold bars. No Minifigures are included but 80117 retails for a very reasonable price of \$89.99 for 1,021 pieces.Price - \$89.99 / €TBC / €TBCRelease Date - 26th December 2024/10th January 2025Last but not least we have one of the cutest sets of the new year of 40813 Lucky Cat. The brick-built version of this lucky cat is mainly white with a red collar and smaller printed details. The paw can unsurprisingly move the extremely cute cat also includes a pendant on its belly with various chinese symbols.Price - \$29.99 / €TBC / €TBCRelease Date - 26th December 2024/10th January 2025All three sets will be available from 26th December 2024 in China and parts of Europe but will become more widely for places like North America from 10th January 2025.
