Why Browning Trail Cameras?Browning Trail Cameras USA first entered the outdoor cameras market in 2013 and quickly became one of the most reliable and well-known brands in the world. All Browning cameras and accessories are professionally and passionately designed and manufactured by a professional group of hunters, outdoor enthusiasts, and security personnel who continually strive to bring the most technologically advanced, high-performance trail cameras to market with unmatched industry quality.Understanding that our customers deserve reliability from a name they trust, all of our trail cameras and accessories incorporate ingenuity in design, quality workmanship, and the finest materials, all while being backed by our One-Year Warranty. Browning Trail Cameras truly are "The Best There Is". Your Browning Trail Camera warranty covers your trail camera for one year. We warrant that your camera will be free from defects in workmanship and materials when operated in normal use and conditions. This warranty will allow Browning Trail Cameras, at its discretion, to repair the product or replace it with a new or refurbished unit Warranty Limitations This warranty does not cover cameras that have been: 1. Neglected or abused (including, but not limited to, water damage caused by submersion, battery leakage or improper storage), 2. Modifications or repairs by unauthorized agents. 3. Damaged cameras that have cracked or broken outer cases due to excessive impact, heat or mishandling. 4. Damages caused by wild animals.
