Beauty plus old version apk 2016 download

Description Change log Review Previous version BeautyPlus: Selfie Editor 6.2.6 apk for Android will help you to downgrade or install older app easily. This is one of the best Photography apps. How to use this application is very easy. Some menu options are categorized properly so new user will have no difficulty finding the required effect or filter. First, run this application, then select Self Portrait menu if you want to take selfie pictures, or tap Beautify menu if you want to retouch the photos. When it has finished repairing a photo, you can save it or send it via email or Bluetooth, or share it on Twitter or Facebook. Now you no longer embarrassed to upload selfie photos and show off to friends on social media. BeautyPlus has worked with well-known makeup artists, photographers and real people just like you to develop the perfect photo retouch app – a tool that is both easy to use and gives flawless results. Edits are so subtle no one will ever suspect you've used an app, allowing you to show off your natural beauty without harsh filters. Features of BeautyPlus: Selfie Editor APK 6.2.6 Skin Editor Perfect Eyes Create The Perfect Smile Live Auto-Retouch (NEW!!!) Magic Brush Professional Photo Editing Selfies aren't everything – BeautyPlus works with both the front-facing and outer-facing camera Selfie Timer built in so you can get off the perfect hands-free shot Multiple face recognition lets you go for the group shot! BeautyPlus helps make everyone look beautiful Perfect lighting even in the darkest locations. Low light? No problem! BeautyPlus automatically adjusts exposure Ready for sharing. When you are done editing, you can share to popular social sites like Facebook, Instagram, Twitter, and Snapchat Screenshots Precise retouching lets you make your nose thinner. Optimized effects and improved user experience. This is the best app and the only app to take selfies including both camera and video. I love this app so much because I have tried a few other ones and they are no compare to this one. And my favorite part is the sparkles that appear when the photos been beautified.
