As a proud member of the Canadian Tire group of companies, Mark's embodies the spirit of entrepreneurial innovation while fostering a culture of accountability and performance. Our company values diversity and encourages employees to think creatively, mirroring our roots as a small business that grew rapidly after expanding nationwide. At Mark's, also known as L'Équipeur in Quebec, we pride ourselves on offering high-quality, comfortable clothing for both casual and industrial use through our core focus on developing durable items. With over 380 locations across Canada, including Quebec where we operate under the name L'Équipeur, Mark's is a trusted retailer that Canadians have come to rely on. We continue to grow, driven by our commitment to delivering exceptional products and services to our customers. The first Mark's Work Warehouse store opened in Calgary, Alberta on August 14, 1977 as an industrial accessories retailer and has since grown into one of Canada's top retailers for men's casual and industrial apparel. After its rapid expansion, the company was acquired by Canadian Tire Corporation in 2002 for \$116 million. Since then, we have continued to evolve, rebranding as Mark's in 2012 and expanding our offerings to include a full range of men's and women's casual and industrial apparel, footwear, and outerwear across Canada. Our mission is clear: outfit Canadians with the confidence they need for everyday life. At Mark's, our employees are at the heart of our evolution, working together to provide top-notch products and services while driving growth through their development and empowerment. Whether in-store or behind-the-scenes, we offer the flexibility and support needed for each employee to excel and contribute to our shared vision of becoming Canada's number one destination for men's industrial and casual apparel and footwear.
