school uniformI feel awkward and excitedI couldnt sleep at all because of yourSudden confession last nightWere different from yesterday, were not friends anymoreBut I have a request, promise meKiss kiss, dont leave a day outLove love, whisper to me before I sleepAs much as you want it, as much as I waitedHug me, love me with all your heartYou were so obvious for all this timeBut that made my heart flutter even moreIm holding your hand for the first time, in this damp trembling feelingWithout knowing, my heart is pounding and its getting hotKiss kiss, dont leave a day outLove love love, whisper to me before I sleepAs much as you want it, as much as I waitedHug me with all your heartMore than yesterday, more than todayI hope my heart grows biggerSo I wont be sadIll stick by your sideStep by step, I like walking with youI like this song that only we knowEven if a long time passesNot as a habit but hug me Yeah Step by step ROMANIZATIONmaen cheoeum gyobogeul ipdeon nalcheoreom
