Effect[]Instant Damage inflicts magic damage of 3 2level. Undead mobs (including the wither) are healed as if with Instant Health instead. Death is reported as " was killed by magic". When applied using a lingering potion, damage is inflicted every second. As this is magic damage, it can be decreased only via Resistance and Protection.[Java Edition only]Causes[] Brewing[]PotionReagent, Base Extended EnhancedEffectsPotion of Harming-Potion of HarmingInstant DamageDamages 6 per potion.Enhanced:Instant Damage IIDamages 12 6 per potion.Immune mobs[]Witches are 85% resistant to Instant Damage.Endermen are immune to Instant Damage from splash potions, lingering potions and tipped arrows, but not from commands.Data values[]ID[] Java Edition:NameIdentifierNumeric ID Translation key Instant Damageinstant_damage7effect.minecraft.instant_damageBedrock Edition:NameIdentifierNumeric ID Translation keyInstant Damageinstant_damage7potion.harmHistory[] Issues[]Issues relating to "Instant Damage" are maintained on the bug tracker.
